ASSESMENT STRUCTURE FOR CLASSES IX & X

Total Marks -100

Annual/Board Examination (80Marks)	Internal Assessment (20Marks)
Annual/Board Examination will be conducted out of 80 marks covering 100% syllabus in each subject	Periodic Exams/Test (10Marks)
	Average of the best two exams will be taken for Internal assessment

The Assessment Structure of Class I to VIII will be as follows.

Assessments of 200 Marks are divided into:

***Term I-100marks & Term 2-100marks**

Each Term Consist of 1. Periodic Test Marks.

2. Term End Exam Marks
3. Subject Enrichment Activity Marks
4. Notebook Maintenance Marks

For Std 9 the marks distribution is per the CBSE guideline and will be intimated to the parents in the mountain of June.

Other than this all students of Std I and std V will appear for Computer & GK examinations twice in a year.

All Students of Std VI onwards will appear for computer examination twice a year. Along with this the students also have to appear for Science lab activities and Maths Lab activities.

Students have to compulsory submit all assignments and activities at the prescribed date for assessment. Any student, who for any reason does not do so on time and have more than three assignments/homework pending will be given “in-house suspension” and have to complete work in the stipulated time after school.

Internal assessment comprises of notebook completion, speaking and listening skill, Science & Math’s lab activities, map work, social awareness activities and class activities.

The passing percentage of internal assessment as well as written test paper is 33% separately.
